I, Arvind Harlalka, MD of Gretex Corporate, Top Rated Merchant Banker in India deals with the Listed Companies or those who wants to get listed on NSE/BSE.

Earlier we were using the server for which we were paying around 100000/- per year but Mr. Mahesh Gupta after listening our usage and server details he had suggested us to transfer the server to some other vendor due to which we could have saved 85,000/- only and he had transferred all the datas at a very nominal charges. His knowledge in this field is very much exhaustive and command on this subject is very commendable.

Everyone should try his services for once atleast.

I wish him success in all his endeavours.
