We hosted a seminar for SAP (following covid rules) which was an amazing knowledge sharing experience for all the attendees

Media Mentions:

We have been mentioned for some of our successful project implementation work in the media

Well it was not just work but some play as well at LNSEL. Joyful celebrations with the team were in full swing!

2021 was all about striding in along with the changing times and not letting the pandemic break our spirit. We would like to thank you for the support in our journey.

We are excited for **2022** and are fully prepared for some **Digital Disruption!**
