NOTES:

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Act, Listing Regulations and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circular through VC /OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company's website at www.lnsel.com, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of NSDL <https://www.evoting.nsdl.com>. The Company has also published an advertisement in newspaper containing the details about the AGM i.e., the conduct of the AGM through VC/OAVM, date and time of the AGM, availability of the notice of AGM at the Company's website, manner of registering the email ID's of those shareholders who have not registered their email addresses with the Company /RTA and other matters as may be required.
4. The Company has engaged the services of NSDL, as authorized agency for conducting the AGM through VC/ OAVM and for providing e-voting facility.
5. Members attending the AGM through VC/ OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
6. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the

AGM through VC /OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to csrasnagoyal@gmail.com with a copy marked to evoting@nsdl.co.in.

7. Members who wish to inspect the Register of Directors and Key Managerial Personnel and their shareholding maintained under section 170 of Companies Act, 2013 and Register of Contracts or arrangements in which directors are interested maintained under section 189 of the Companies Act, 2013 and all documents referred to in the Notice can send an email to investors@lnsel.com. The same shall be open for electronic inspection by the members from the date of circulation of this notice up to the date of AGM, i.e., 29th September, 2020.
8. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., immediately mentioning their name and folio no. to their Depository Participants in case the shares are held by them in electronic form and to the Registrar and Share Transfer Agents, M/s. Maheshwari Datamatics Pvt. Ltd. 23, R.N.Mukherjee Road, 5th Floor, Kolkata-700001.in case the shares are held by them in physical form.
9. As per Regulation 40 of Securities and Exchange Board of India Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, Maheshwari Datamatics Pvt Ltd for assistance in this regard.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore requested to submit their PAN to their Depository Participant(s). Members holding shares in physical form are requested to submit their PAN details to the Company's share transfer agent Maheshwari Datamatics Pvt Ltd., 23 R.N.Mukherjee Road, 5th Floor, Kolkata 700001.
11. To avail the facility of nomination, Members holding shares in physical form may write to the Company for obtaining the Nomination Form (Form SH-13). Members holding shares in electronic form may fill the nomination form with the respective Depository Participant.
12. Since the AGM will be held through VC/OAVM, the route map is not annexed to this Notice.
13. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again at the AGM. The detailed instructions for availing e-voting facility are provided in Annexure I.
14. Jain Sonu & Associates, Chartered Accountants, were appointed as Statutory Auditors from the conclusion of 29th Annual General Meeting (AGM) till conclusion of 33rd Annual General Meeting, subject to ratification of their appointment at every Annual General Meeting by the members. However, the members may note that pursuant to the Companies (Amendment) Act, 2017 the requirement of ratification of the appointment of the Statutory Auditors in every Annual General Meeting has been dispensed with by the Act and therefore the Company is not seeking ratification.
15. Additional information, pursuant to Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) in respect of the director seeking re-appointment at the Annual General Meeting scheduled to be held on September 29, 2020 forms part of the notice. The director has furnished consent/ declaration for her reappointment as required under the Companies Act, 2013 and the Rules thereunder.
16. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the Share Certificates to the Company's Registrars and Transfer Agents, M/s Maheshwari Datamatics Pvt Ltd., Kolkata for consolidation into single folio.
17. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
18. Members seeking any information with regard to the accounts or any matter to be placed at the AGM are requested to write to the Company on or before 28th September, 2020 through email on investors@lnsel.com. The same will be replied by the Company suitably. They are requested to quote registered folio number or client ID in all correspondence.
19. Shareholders are requested to send all transfer documents to the Registrar & Share Transfer Agents of the Company by Registered Post to ensure safe delivery of documents.

20. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, 22.09.2020 to Tuesday, 29.09.2020 (both days inclusive).

The members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ('remote e-voting'). Necessary arrangements have been made by the Company with NSDL to facilitate remote e-voting.
- II. The facility for voting, either through electronic voting system or through ballot/polling paper shall also be made available at the Annual General Meeting. The members attending the meeting, who have not already cast their vote through remote e-voting shall be able to exercise their voting rights at the meeting. The members who have already cast their vote through remote e-voting may attend the Annual General Meeting but shall not be entitled to cast their vote again at the Annual General Meeting.

The Company has appointed Smt. Rasna Goyal, Practicing Company Secretary (C.P No 9209) as the Scrutinizer to scrutinize the voting at the meeting and remote e-voting in a fair and transparent manner.

- III. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date, September 22, 2020.
- IV. Any person who becomes member of the Company after dispatch of the Notice of the Meeting and holding shares as of the cut-off date i.e. September 22, 2020, may obtain the User ID and password for e-voting by sending email intimating DP ID and Client ID / Folio No. at evoting@nsdl.co.in. However, if he/she is already registered with NSDL for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
- V. The e-voting period begins on 26th September, 2020 at 9.00 AM and ends on 28th September, 2020 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. September 22, 2020, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Subject to receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting, i.e. September 29, 2020.
- VI. The details of the process and manner for remote e-voting are explained herein below:

Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 are mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat(NSDL or CDSL) or Physical Your User ID is:

- a) For Members who hold shares in demat account with NSDL - 8 Character DP ID followed by 8 Digit Client ID. For example, if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****

5. Your password details are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

A. How to retrieve your 'initial password'?

- i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ii) If your email ID is not registered with the Company/Depository, please follow instructions mentioned below in this notice.
6. If you are unable to retrieve or have not received the "initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com
 - b) "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
 7. After entering your password, click on Agree to "Terms and Conditions" by selecting on the check box.
 8. Now, you will have to click on "Login" button.
 9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 are mentioned below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of the Company, for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

Process for those shareholders whose email IDs are not registered with the depositories for procuring user ID and password and registration of email IDs for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to mdpldc@yahoo.com;

COVID-19 Pandemic:

During the month of March the spread of COVID-19 pandemic increased expeditiously in India and across the world, this global crisis forced the Governments to enforce lock-down of all economic activities. In India the Government announced lock-down from third week of March, 2020 as a preventive measure against the COVID-19 pandemic. The Company's focus is always to ensure the health and well-being of all employees accordingly the Company suspended its operational activities and implemented 'work from home policy' from 23rd March, 2020 to minimize disruption to services for all our customers globally. From a well-equipped broad work space to coordinating the work from home the Company adapted the change very well as per the need of the hour. Further after ensuring compliance with all the safety measures directed by the Government like social distancing and maintaining hygiene, the Company resumed its operations from 15th June, 2020.

Company's Performance:

During the period under review, at consolidated level, the company achieved revenue of Rs. 59,769,406, EBITDA Rs. 14,40,222 PBT of Rs. 11,01,977 and PAT of Rs. 7,16,455 as compared to the revenue of Rs. 49,271,998, EBITDA Rs. 5,09,935, PBT of Rs. 2,27,455 and PAT of Rs. 1,65,432 respectively in the previous year.

On an unconsolidated basis (at standalone level), the company achieved revenue of Rs. 47,631,231, EBITDA Rs. 1,715,960 PBT of Rs. 1,418,422 and PAT of Rs. 1,032,900 as compared to the revenue of Rs. 37,808,094, EBITDA Rs. 16,16,884, PBT of Rs. 1,357,488 and PAT of Rs. 1,295,465 respectively in the previous year.

IoT and other Segments:

Your company is also planning to venture into new and emerging technologies like IoT, Robotics and Artificial Intelligence

Risk & Concerns

CYBER SECURITY RISK - Cyber Security and quality management are few key areas of concern in today's information age.

To overcome such concerns in today's global IT scenario, an increasing number of IT-BPO companies in India have gradually started to emphasize on quality to accept global standards such as ISO 9001 (for quality management) and ISO 27000 (for information security). Today, centers based in India account for the largest number of quality certifications achieved by any single country.

CONCENTRATION RISK - Regional concentration as well as vertical concentration can adversely impact Company's business in case of a slowdown

The company has diversified its business, both in terms of region and verticals, is intrinsically woven into the DNA of Lee & Nee Softwares (Exports) Ltd.

CURRENCY RISK – The Company has made a well defined currency hedging Policy which helps in controlling risk arisen from currency fluctuations and volatility.

COMPETITION RISK– The ever-increasing competition poses a key risk in terms of acquiring client business as well as human talent.

Lee & Nee Softwares (Exports) Ltd. has enhanced its value in the proposition of its customers by way of deepening its domain expertise, technological capabilities and customer engagement. On the human capital front, Lee & Nee Softwares (Exports) Ltd brand equity and best in class HR principles and practices has made it a preferred employer.

REGULATORY RISK- Legislation in various countries in which we operate including the US, Canada, UK, Australia & Middle East may place restrictions on companies in those countries from outsourcing work to us, or may enact stricter immigration laws or may limit our ability to send our employees to certain client sites.

A team of professionals has been employed within and outside the Company. The Company has working on mitigating this on a continuous basis.

Threats

The Indian IT-ITES industry is facing several threats that need to be addressed.

The Indian IT-ITES industry, owing to the uncertain global economic and geopolitical climate is continuing to face challenges.

High attrition rates in the IT-BPO segment is a major concern for companies. With attrition rates ranging between 25-40 percent, attrition is a big challenge. Apart from a loss of skill sets, the cost of recruitment and training represent an additional expenditure for Indian IT-BPO firms.

Shortage of quality and employable talent and rising costs in the major IT hubs are also challenges that need to be addressed. The Company has to ensure that it acquires good talent and retains it in order to constitute its major competitive edge. The Company maintains excellent work environment and competitive package for this purpose.

These are the days when technology takes no time to become obsolete. Thus, to be at par with its competitors the company has to ensure that it constantly updates and upgrades its technology.

The grave challenges facing the Indian IT-BPO industry include a slackening of demand from major markets, reduction in larger contracts, stiff work permit regulations in some critical regions and competition from other emerging economies on trained resources.

Growth:

The \$191-billion Indian IT industry is slated to grow slower in 2020 fiscal at 7.7 per cent compared to 8.1 per cent growth in the previous year. While the sector added 2 lakh jobs, the industry is cautiously optimistic about the future due to global macroeconomic uncertainties. The job additions at 2 lakh have been higher compared to 1.8 lakh people added last year and come at a time when many companies have been laying off employees.

Segment-wise or Product-wise performance:

In view of the identical geographical location and the same product, i.e. ITES, there is hardly any need for separate segmental reporting.

Future Economic Outlook:

India is rapidly marching towards becoming a digitally empowered society. The push for governance, the proliferation of smart phones, increasing Internet access and booming digital payments are fuelling the country's journey towards a trillion-dollar digital economy by 2025. The widespread acceptance of Digital is being seen as a catalyst for overall economic growth. India is also focusing on renewable sources to generate energy. It is planning to achieve 40 per cent of its energy from non-fossil sources by 2030 which is currently 30 per cent and also have plans to increase its renewable energy capacity from 175 GW by 2022.

With the combination of favourable demographics and policy reforms, India presents a unique and powerful growth story.

Internal Control System and their adequacy:

Lee & Nee has deployed adequate Internal Control Systems (ICS) in place to ensure a smooth functioning of its business. The processes and the systems are reviewed constantly and changed to address the changing regulatory and business environment.

The Control Systems provide a reasonable assurance of recording the transactions of its operations in all material aspects and of providing protection against misuse or loss of Company's assets.

The ERP system which the Company had implemented has helped in further strengthening the internal control systems that are in place.

The existing internal control systems and their adequacy are frequently reviewed and improved upon to meet the changing business environment. The external auditors as well as the internal auditors periodically review the internal control systems, policies and procedures for their adequacy, effectiveness and continuous operation for addressing risk management and mitigation strategies.

Discussion on financial performance with respect to operational performance:

At the Standalone level the sales of the Company have increased by 25.98% as compared to previous year. The Company has identified new avenues of software business like Data Security and Cloud offerings. Your company has partnered with Microsoft for offering Cloud based software solutions. It is looking forward to work in the areas of ERP Solutions, Cloud solutions, and Data Security as there is huge potential in these areas and is now focused on further expanding Enterprise Applications business both in domestic as well as in overseas market. The Company has further developed niche products for specific industry verticals and plans to offer them on SaaS model in coming years. Your Company has made strategic

alliances to offer Cloud based solutions and licensed software solutions. The Company anticipates getting good volume of business in the coming year.

Material Development in Human Resources/Industrial Relation Front, including No. of people employed:

The total number of permanent employees of the Company as on 31st March, 2020 was 62.

Attracting, enabling and retaining talent has been the cornerstone of the Human Resource function and the results underscore the important role that human capital plays in critical strategic activities such as growth. The Company's focus lies in creating a performance based culture, driven by focused growth and clear career development plan for each employee. A robust Talent Acquisition system enables the Company to balance unpredictable business demands.

It is very difficult to source skilled persons. Therefore, the role of human resource management is critical and strategic to build up human capital to create organizational competitive advantages. Today's customers are highly quality conscious and look towards value for the money. Quality is customer satisfaction built through employee participation.

Company has created the blue print for the strategic attraction of talent, and it has acted upon retention of talent by continuous training program.

The company's human resource practice has helped in motivating employees and enhancing their commitment and greater involvement in the overall quality improvement.

Your company treats its "human resources" as one of its most important assets and believes that its middle management is particularly critical to its business, as they are responsible for managing teams, understanding its client' expectations and its contractual obligations to clients, ensuring consistent and quality service delivery and deploying the company's process excellence framework. The company continuously invests in its HR to create a favorable work environment that encourages innovation which enables it to retain skilled and a highly professional workforce.

Your Company thrust in on the promotion of talent internally through job rotation and job enlargement. Our hiring requirements have increased by 47.62% this year. This will be due to anticipated growth and the backfill due to attrition. We expect to improve our people intake during 2020 and are exploring new avenues to decrease hiring turnaround times but due to the COVID 19 pandemic, the regular addition to our human resources seems little uncertain.

Remuneration Policy for Board Members, Key Managerial Personnel and Other Employees

The Nomination and Remuneration Committee of the Board shall recommend this Policy to the Board, relating to the remuneration of Directors, Key Managerial Personnel and other employees.

The objective of the Company's remuneration policy is driven by the success and performance of the individual employee and the Company. Through its level and composition of remuneration, the Company endeavors to attract, retain, develop and motivate a high performance workforce. The Company follows a composition mix of fixed pay, benefits and performance based variable pay. Individual performance pay is determined by business performance and the performance of the individuals measured through the annual appraisal process.

1) Remuneration to Executive Directors:

- a) The Remuneration to be paid to Executive Directors shall be governed as per the provisions of the Companies Act, 2013 and Rules made thereunder. The same shall be determined by the Committee and recommended to Board for approval.
- b) Remuneration structure of the Executive Directors shall include fixed pay & allowances, if any.
- c) The Committee may recommend an increase in existing remuneration structure to the Board, within the limits as approved by the Shareholders.
- d) Minimum remuneration: If in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Executive Directors in accordance with the provisions of Schedule V of the Act and if it is not able to comply with such provisions, with the previous approval of the Central Government.

2) Remuneration to Non- Executive / Independent Directors:

- a) The Non-Executive / Independent Directors may receive sitting fees and such other remuneration for attending the Board as well as the Committee meetings, as permissible under the provisions of Companies Act, 2013 and Rules made thereunder as amended from time to time.
- b) The amount of sitting fees shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.
- c) All the remuneration of the Non- Executive / Independent Directors (excluding remuneration for attending meetings as prescribed under Section 197 (5) of the Companies Act, 2013) shall be subject to ceiling/ limits as provided under Companies Act, 2013 and rules made there under or any other enactment for the time being in force. The amount of such remuneration shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors or shareholders, as the case may be.

3) Remuneration to Key Managerial Personnel (KMP) and Senior Management Personnel:

- a) **"Key Managerial Personnel"** means key managerial personnel as defined under Section 2(55) of the Companies Act, 2013 and amendments made from time to time. It includes the following personnel in the Company;
 - i) The Chief Executive Officer or the Managing Director or the Manager;
 - ii) The Company Secretary and
 - iii) The Chief Financial Officer

"Senior Management" means personnel of the Company who are members of its management team excluding the Board of Directors.
- b) The remuneration to Key Managerial Personnel and Senior Management Personnel shall consist of fixed pay, incentive pay and reimbursement of expenses that are incurred by them in the performance of duties. The same shall be reviewed/decided on an annual basis or earlier if deemed necessary, by the Nomination and Remuneration Committee as per provisions of the Companies Act, 2013 in conjunction with the Company's rules and policies.

- c) The Fixed pay shall include monthly remuneration, employer's contribution to Provident Fund, contribution to pension fund, pension schemes, etc. as decided from time to time.

IMPLEMENTATION

- * The Committee may issue guidelines, procedures, formats, reporting mechanism and manuals in supplement and for better implementation of this policy as considered appropriate.
- * The Committee may Delegate any of its powers to one or more of its members.

POLICY REVIEW

This policy is purely at the discretion of the Nomination and Remuneration Committee and it reserves its right to recommend modifications in this Policy to the Board as per applicable laws and regulations, at any time without assigning any reason whatsoever.

Opinion

We have audited the accompanying Standalone Financial Statements of **M/s LEE & NEE SOFTWARES (EXPORTS) LTD** ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit & other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated in our report:

Description of Key Audit Matters

How the matter was addressed in our audit

Revenue Recognition- Fixed Price Contracts

The Company inter alia engages in Fixed-price contracts wherein, revenue is recognized based on the percentage of work completed. This is estimated by the Company on the basis of the completion of milestones and activities as agreed with the customers. Due to the number and complexity of the activities performed, significant judgments are required to estimate this percentage of completion. Therefore, the audit risk is that if there is an error in estimation of percentage of completion, this will have an impact on the accuracy of revenue recognized for the year ended 31st March, 2020 (Refer Note 2(c) to the standalone financial statements).

In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:

- Obtained an understanding of key internal controls over recording of activities completed and of general IT controls for the project management tool. Performed walkthrough of the underlying process and documented the controls and assessed the effectiveness of their design and implementation. Also performed tests to assess whether the controls were operating as designed.

- Involved IT specialists to assess whether the project management tool captured activities completed in the correct period and whether the related percentage completion was derived from a system that is operating effectively.
- Selected a sample of contracts, using a mix of quantitative & qualitative criteria, and performed the following procedures for each contract selected:
 - Inspecting key terms, including transaction price, deliverables, performance obligations, timetable and milestones, set out in the contract;
 - Inquired of the relevant project managers about key aspects and the progress of the contracts, including the estimated total contract costs, key project risks, amendments, contingencies and billing schedules;
 - verified project management tool for budgeted efforts and related percentage completion milestones and verified accuracy of milestones based on actualization of efforts for delivered projects and past data;
 - verified the details of activities completed with those stated in the customer contract and as confirmed by the project manager including agreeing the respective activities performed according to the project management tool with customer report/ confirmations which forms the basis of percentage of completion;
 - tested on a sample basis the underlying invoices in respect of fixed price contracts and related cash receipts; and
 - verified the ageing analysis and perform analytical procedures, based on revenue trends, to assess the movements in accruals.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), financial performance (profit or loss including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and

detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us during the course of audit, we give in the Annexure 'A' a statement on the matters specified in the paragraphs 3 and 4 of the Order.
- 2.A. As required by Section 143(3) of the Act, we report, to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. As required by Section 143(3)(i) of the Companies Act, 2013, and based on the checking of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, our separate report with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such control is as per Annexure 'B'.
- 2.B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in its Standalone Ind AS Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company did not have any amount which had fallen due and required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures in the standalone financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2020.
- 2.C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
 In our opinion and according to the information and explanation given to us, no managerial remuneration has been paid/ provided during the current year by the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

[REFERRED TO IN PARAGRAPH 2.A.(f) UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' OF OUR REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF LEE & NEE SOFTWARES (EXPORTS) LTD.]

Report on the Internal Financial Controls over Financial Reporting under clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

OPINION

We have audited the internal financial controls with reference to financial statements of Lee & Nee Softwares (Exports) Ltd. ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our Audit. We conducted our Audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note"), issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of Internal Financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect

the transactions and dispositions of the assets of the Company ; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

NOTE - 1

Corporate & general information

Lee & Nee Softwares (Exports) Ltd. is a Company limited by shares, incorporated and domiciled in India. It is an IT-enabled service company based in the IT hub of Kolkata, India. With over 29 years of experience Lee & Nee Softwares (Exports) Ltd. is engaged in business of developing , designing, manufacturing, processing, assembling, computer software & hardware products and allied products and providing **ERP solutions** and services for **website design and development**, mobile application development and **digital marketing** all over the globe.

The Company is listed on Bombay Stock Exchange Limited and Kolkata Stock Exchange Limited. The registered office of the Company is located at 14-B, Camac Street, Kolkata-700017, India.

The financial statements of the Company for the year 31st March 2020 were approved and authorized for issue by board of directors in their meeting held on 29th June, 2020.

NOTE - 2

Significant accounting policies

- a. **Statement of Compliances:** These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.
- b. **Basis of Preparation of Financial Statements:** The Company has consistently applied the accounting policies used in the preparation of financial statement of all period presented. The financial statements has been prepared considering all IND AS as notified and made applicable by Ministry of Corporate Affairs for reporting date i.e. 31 March 2020.

The Company follows the mercantile system of accounting and generally the accrual concept in preparing the accounts except dividend which is recorded on cash basis.

- c. **Basis of measurement:** The standalone financial statements have been prepared on a historical cost basis, except the financial assets (investments) & financial liabilities, if any which are measured at fair value. They are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income.
- d. **Use of Estimates and Judgments:** Preparation of financial statements requires the use of judgments, estimates and assumptions in the application of accounting policies that affects the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation of such estimates and judgments are done based on historical experience and other factors, including future expectations that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively and in the period in which the estimates are revised and future periods are affected. Differences between actual results and estimates are recognised in the period in which they materialize.

Details of critical estimates and judgments used which have a significant effect on the carrying amount of assets and liabilities, are provided in the following notes:

Income tax:

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax.

Useful lives of Property, plant and equipments:

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and its residual value at the end of its life. Useful life and residual value of an asset is determined by the Management at the time an asset is acquired and reviewed periodically, including at each financial year end. This reassessment may result in change in depreciation expense in future periods. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Measurement of defined benefit obligations:

The company's defined benefit obligation to its employees and net periodic defined benefit cost / income requires the use of certain assumptions, including, among others, estimates of discount rates and expected return on plan assets. Changes in these assumptions may affect the future funding requirements of the plans. Actuarial gains / losses, the sensitivity analysis for changes in estimates are disclosed under relevant Notes.

Impairment Testing:

Investments in subsidiaries, goodwill and intangible assets are tested for impairment annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to dispose. The calculation of value in use of a cash generating unit involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions. Refer note 2 (g), (i) and (l) for details.

Estimation of provisions and contingencies:

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses significant judgements to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements. Refer note 2 (n), 13 for details.

Recognition of deferred tax assets:

Refer note 2 (u) for details.

Current & Non-current classification:

The Company presents all its assets and liabilities in the standalone balance sheet based on current or non-current classification. Assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

Fair value measurements:

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Estimation of uncertainties relating to the global health pandemic COVID-19:

The management has considered the possible effects, if any, that may result from the pandemic relating to COVID 19 on the carrying amounts of receivables. In making the assumptions and estimates relating to the uncertainties as at the Balance sheet date in relation to recoverable amounts of these assets, the management has considered the global economic conditions prevailing at the date of approval of these financial statements and has used internal and external sources of Information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in the future due to the impact of the pandemic.

e. Revenue/Expenses Recognition:

The Company derives revenue primarily from Information Technology Services and Solutions. The Company recognizes revenue when it transfers control over a product or a service to a customer. The method for recognizing revenues and costs depends on the nature of the services rendered.

Recognition criteria for various types of contracts are as follows:

Time and Material Contracts:

Revenue from time-and-material contracts is recognized based on the time / efforts spent and billed to clients.

Fixed-Price Contracts:

Revenues from fixed-price contracts are recognized using the "percentage-of-completion" method. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct relationship between input and productivity.

If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

Sale of software products and licenses:

Revenue from sale of third party software products and hardware is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on physical or electronic dispatch of goods.

Revenue from sale of licenses, where no customization is required, is recognized upon delivery of these licenses which constitute transfer of all risks & rewards.

Maintenance Contracts:

Revenue from maintenance contracts is recognised on a pro-rata basis over the period in which such services are rendered.

For all types of contracts, unearned revenues represent billing in excess of revenue recognized on software development and service contracts and is included in Other Current Liabilities until the above revenue recognition criteria is met. Advance payments received from customers for whom no services have been rendered are presented as "Advance from customers".

Revenues are reported net of GST and applicable discounts and allowances.

Other Income

Other income primarily comprises of interest, dividend. Interest income is recognized in the Statement of Profit and Loss using effective interest method at the time of accrual. Dividend income is recognized in the Statement of Profit and Loss when the right to receive payment is established.

f. Standards issued but yet not effective

Ministry of Corporate Affairs (MCA) notified new standard and amendments to the existing standards. There is no such notification, which would have been applicable from 01 April 2020.

g. Property, Plant and Equipment:

Recognition and Initial measurement:

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are added in the asset's carrying amount/recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of such item can be measured reliably. All other repairs and maintenance expenses are charged to the standalone statement of profit and loss in the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the standalone statement of profit and loss.

Subsequent measurement (depreciation and useful lives):

Depreciation is provided on a pro-rata basis on the written down value (WDV) method based on estimated useful life prescribed under Schedule II of the Companies Act, 2013. However, assets value up to Rs 5,000 are fully depreciated in the year of acquisition. Residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each Balance Sheet date and any change in them is adjusted prospectively.

Category of asset	Useful life
Furniture and fixtures	10 years
Office equipments	3 - 5 years

De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future Economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the standalone statement of profit and loss, when the asset is de-recognized.

h. Intangible assets:

Technical know - how fees / acquired computer software and licenses are capitalized on the basis of costs incurred to bring the specific intangibles to its intended use. Intangible assets purchased are measured at cost or fair value as of the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any.

Intangible assets/Software Licenses are amortized on their respective individual estimated useful lives on a written down value basis, commencing from the date the assets is available to the company for its use.

Intangible assets with indefinite useful lives (like goodwill, brands), if any are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether indefinite life continues to be supportable. The change in useful life from indefinite to finite life if any, is made on prospective basis.

i. Impairment of non-financial assets:

Assessment for impairment is done at each Balance Sheet date when there is an indication that a non-financial asset may be impaired. If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/

cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the standalone statement of profit and loss. Recoverable amount is higher of an asset's/cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset/cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset/cash generating unit in any prior accounting periods may no longer exist or may have decreased, based on which a reversal of an earlier recorded impairment loss is recognized in the standalone statement of profit and loss.

j. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date of investment made, are classified as Current Investments. All investments other than current investments are classified as non-current investments. Investments are valued in accordance with the applicable Ind AS.

k. Investments in subsidiaries

Investments in subsidiaries are measured at cost less impairment loss, if any.

l. Financial instruments

i) Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii) Subsequent measurement

Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

For assets, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and where the company has exercised the option to classify the equity investment as at fair value through other comprehensive income, all fair value changes on the investment are recognised in other comprehensive income. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. However, in cases where the Company has made an irrevocable election for particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, the subsequent changes in fair value are recognized in Other Comprehensive Income.

Equity instruments:

The Company classifies all its equity investments at fair value, apart from investments in subsidiary and Partnership firm. In case of equity instruments not held for trading, Company's management has made an irrevocable election to present fair value gains and losses on such equity instruments in other comprehensive income and there is no subsequent reclassification of fair value gains and losses to the standalone statement of profit and loss.

Investments in mutual funds:

Investments in mutual funds are measured at fair value at each balance sheet date.

iii) ***Derecognition of financial instruments***

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

m. ***Foreign currency transactions***

Functional currency and presentation currency:

The financial statements are presented in Indian Rupees (i.e., INR). Functional currency is the currency of the primary economic environment in which the Company operates.

Transactions and balances:

Foreign currency transactions are translated into the functional currency using exchange rates prevailing at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions and from translation of monetary assets and liabilities at the exchange rates prevailing on the balance sheet dates are recognized in the standalone statement of profit and loss.

n. ***Provisions, contingent liabilities and contingent assets :***

A provision is recognized when an enterprise has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the amount can be reliably estimated. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A disclosure for contingent liability is made when there is a possible obligation that arises from the past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company and that may, but not probable that an outflow of resources would be required to settle the obligation. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised nor disclosed in the financial statements.

o. ***Employee benefits expense***

Defined contribution plans:

The Company provides defined contribution plan for post-employment benefits in the form of provident fund and Employee State insurance benefit scheme administered by Regional Provident Fund Commissioner and the ESI's authorities respectively. The Company's contributions to defined contribution plans are charged to the standalone statement of profit and loss as and when incurred.

Defined benefit plans:

The Company also provides for Gratuity and Leave Encashment based on actuarial valuation made by an independent actuary as per Ind AS 19 Compliance of The Institute of Chartered Accountants of India. Actuarial gains / losses are disclosed under relevant Notes.

Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentives.

p. ***Borrowings:***

The Company has not borrowed any sums.

q. Cash flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Company are segregated.

r. Inventories:

Company does not have any inventory. As such provisions of Ind AS 2 are not applicable.

s. Cash and Cash Equivalents:

Cash and cash equivalents comprise of cash at bank and on hand and short term investments (having maturity less than three months) which can be readily converted to fixed/determinable amount of money and subject to insignificant risks arising from changes in their fair values, as cash equivalents.

t. Leases:

The Company does not have any Lease agreement hence the provision to that effect is not applicable.

u. Income tax:

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rates with adjustments for changes in deferred tax assets or liabilities attributable to temporary differences and unused tax losses or credits.

Current tax is calculated based on tax laws enacted or substantively enacted at the end of the reporting period.

Deferred tax is recognized on temporary differences arising from the tax bases of assets and liabilities and their respective carrying amounts in the standalone financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction that does not result from a business combination and at the time of such transaction, affects neither the accounting profit or loss nor taxable profit (tax loss) for the period. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available against which those temporary differences/losses can be utilized. Minimum alternate tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the standalone statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Current tax assets and tax liabilities are offsetted where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

v. Segment reporting:

The Company is primarily engaged in Information Technology and related services. There are no other reportable segments in terms of IND AS - 108 on Segment Reporting issued by The Institute of Chartered Accountants of India.

w. Earnings per Share:

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events that have changed the number

of outstanding equity shares, without a corresponding change in the resources. For the purpose of calculating diluted earnings per equity share, net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares. As on the balance sheet date, the Company has no dilutive potential equity shares.

x. ***Events after the reporting period:***

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

19. Deferred Taxes :

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying value of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences whereas, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Deferred tax has not been recognized due to brought forward losses which may remain unutilized.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as asset if there is convincing evidence that the Company will pay normal Income tax.

Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefits associated with it will flow to the Company.

20. The Company has initiated the process of obtaining confirmation from suppliers who have registered under the Micro, Small and Medium Enterprises Development Act, 2006. The information required to be disclosed under the Micro, Small And Medium Enterprises Development Act, 2006 ("the MSMED Act") has been determined to the extent such parties have been identified on the basis of information received from such parties and available with the Company. There are no overdue to parties on account of principal amount and / or interest.
21. The Company's business activity falls within a single primary business segment i.e. Software business and therefore, the disclosure requirement of "Segment Reporting" is not applicable.

23.10 Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Period	As on 31/3/2020

Notes:

- i) These investments are not held for trading. Upon application of Ind AS - 109 - Financial Instruments, the Company has chosen to measure these investments in quoted equity instruments at FVTOCI irrevocably as the management believes that presenting fair value gains and losses relating to these investments in the standalone statement of profit and loss may not be indicative of the performance of the Company.
- ii) The management assessed that the fair value of cash and cash equivalents, loans, Trade receivables, other advance, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

B. Fair value hierarchy

The fair value of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly market between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent in all the years. Fair value of financial instruments referred to in note (a) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and lowest priority to unobservable entity specific inputs.

The Categories used are as follows:

- Level 1: Quoted prices (Unadjusted) in active markets for financial instruments.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

For Assets and Liabilities which are measured at fair value as at balance sheet date, the classification of fair value by category and level on inputs used is given below:

Particulars	Level 1	Level 2	Level 3
<u>As at 31st March, 2020</u>			
Designated at fair value through other comprehensive income (FVTOCI)			
Investments in Quoted Equity Instruments	95,175/-	-	-
Investments in Quoted Mutual Fund	1,627,440/-	-	-
<u>As at 31st March, 2019</u>			
Designated at fair value through other comprehensive income (FVTOCI)			
Investments in Quoted Equity Instruments	92,912/-	-	-
Investments in Quoted Mutual Fund	1,564,954/-	-	-

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

C. Computation of Fair Values

Investments in equity instruments represents long term strategic investments made in certain listed or unlisted companies. For listed companies, fair value is based on quoted market prices of such instruments as on the balance sheet date on the recognised stock exchange (where traded volume is more during last six months).

D. Fair value of assets and liabilities measured at cost/amortized cost

The carrying amount of financial assets and financial liabilities measured at amortized cost are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amount would be significantly different from the values that would be eventually received or settled. Management assessed that fair values of cash and cash equivalents, loans, trade receivables, other advance, trade payables and other financial liabilities approximate their carrying amounts due to the short term maturities of these instruments.

26. Financial risk management

Company's business activities are exposed to a variety of financial risks like credit risk, market risks and liquidity risk. Company's senior management is responsible for establishing and monitoring the risk management framework within its overall risk management objectives and strategies approved by the Board of Directors. Such risk management strategies and objectives are established to identify and analyze potential risks faced by the Company, set and monitor appropriate risk limits and controls periodically review the changes in market conditions and assess risk management performance. Any change in Company's risk management objectives and policies need approval of its Board of Directors.

a. Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

i) Trade receivables

Customer credit risks are managed by each business unit in accordance with the credit policy, procedures and controls relating to credit risk management. Credit quality of each individual customer is assessed based on financial positions, past trends, market reputation, prevailing market and economic conditions, expected business and anticipated regulatory changes. Based on this evaluation, credit limit and credit terms are decided for each individual customer. Exposure to customer credit risk is regularly monitored through credit locks and release.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

The Company has a low concentration of risk in respect of trade receivables since its customers are widely spread and operates in diversified industries and varying market conditions. Export customers are secured through letter of credit and generally not subject to credit risks.

Impairment of trade receivables is based on expected credit loss model (simplistic approach) depending upon the historical data, present financial conditions of customers and anticipated regulatory changes. Maximum exposure to credit risks at the reporting date is disclosed in Note 4.2 & 6.1. Company does not hold any collateral in respect of such receivables.

ii) Other financial instruments

Credit risks from other financial instruments include mainly cash and cash equivalents and deposits with banks. Such risk is managed by the Board of Directors of the Company in accordance with Company's overall investment policy approved by its Board of Directors. The investments are reviewed by the Board of Directors on a quarterly basis.

The Company has no exposure to credit risk relating to its cash and cash equivalents. Credit risk for other financial instruments is monitored by the Board of Directors in accordance with its overall risk management policies. Impairment of such assets is computed per expected credit loss model (general approach) assessed on the basis of financial position, detailed analysis and expected business of the counterparty to such financial assets.

iii) Investments

The Company limits its exposure to credit risk by generally investing in liquid securities. The Company does not have any significant concentration of exposures to specific industry sectors.

b. Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market prices. Market risks comprises of - currency risk, cyber security risk, concentration risk, competition risk, regulatory risk and other price risk, such as equity price risk. Financial Instruments affected by market risks include investments in mutual funds or equity instruments.

- i) **Currency risk** – The Company has made a well defined currency hedging Policy which helps in controlling risk arisen from currency fluctuations and volatility.
- ii) **Cyber Security Risks** - Cyber Security and quality management are few key areas of concern in today's information age. To overcome such concerns in today's global IT scenario, an increasing number of IT-BPO companies in India have gradually started to emphasize on quality to accept global standards such as ISO 9001 (for quality management) and ISO 27000 (for information security). Today, centers based in India account for the largest number of quality certifications achieved by any single country.
- iii) **Concentration Risk** - Regional concentration as well as vertical concentration can adversely impact Company's business in case of a slowdown.
- iv) **Competition Risk**- The ever –increasing competition poses a key risk in terms of acquiring client business as well as human talent. Lee & Nee Softwares (Exports) Ltd. has enhanced their value in the proposition of its customers by way of deepening its domain expertise, technological capabilities and customer engagement, on the human capital front, Lee & Nee Softwares (Exports) Ltd. Brand equity and best in class HR principles and practices has made it a preferred employer.
- v) **Regulatory Risk**- Legislation in various countries in which we operate including the US,UK , Australia, Canada and Middle East may place restrictions on companies in those countries from outsourcing work to us, or may enact stricter immigration laws or may limit our ability to send our employees to certain client sites. A team of professionals has been employed within and outside the Company. The Company has working on mitigating this on a continuous basis.
- vi) **Price risk** - Price risk is the risk that the fair value or future cash flows will fluctuate due to change in market prices. The Company is exposed to price risk arising from its Investments and Equity Instruments. The Company's manages such risk in accordance with its overall risk management policy approved by the Board of Directors.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

c. Liquidity risk:

Liquidity risk is the risk that the Company may not be able to meet its contractual obligations associated with its financial liabilities. The Board of Director of the Company manages its liquidity risk by preparing and continuously monitoring business plans or rolling cash flow forecasts which ensure that the funds required for carrying on its business operations and meeting its financial liabilities are available in a timely manner and at an optimal cost. The Company plans to meet the contractual obligations from its internal accruals. Additionally, surplus funds generated from operations are parked in short term debt or liquid mutual funds and bank deposits which can be readily liquidated when required.

The working capital position of the Company is given below:

Particulars	As at 31 st March 2020 (₹)	As at 31 st March 2019 (₹)
Cash and cash equivalents	24,32,840/-	59,91,683/-

INDEPENDENT AUDITORS REPORT

To,

The Members of M/s Lee & Nee Softwares (Exports) Ltd.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **M/s LEE & NEE SOFTWARES (EXPORTS) LTD** (hereinafter referred to as 'the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated statement of cash flows and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at March 31, 2020, and its consolidated profit (financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the year ended March 31, 2020. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated financial performance (consolidated statement of profit or loss including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective management and Board of Directors of the entities included in

the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. We have nothing to report in this regard.

Report on Other Legal and Regulatory Requirements

- A As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - On the basis of the written representations received from the directors of the Holding company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company and from the directors of its subsidiaries which are incorporated in India, none of the directors of the Group is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Group (Holding and Subsidiary Companies incorporated in India) and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
- B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, read with Companies (Audit and Auditors) amendment rules, 2017, in our opinion and to the best of our information and according to the explanations given to us:
- The Group does not have any pending litigations which would impact its financial position in its Consolidated Ind AS Financial Statements.
 - The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - The Group did not have any amount which had fallen due and required to be transferred to the Investor Education and Protection Fund by the Company.
 - The disclosures in the Consolidated financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2020.
- C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(REFERRED TO IN PARAGRAPH 1(f) UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' OF OUR REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF LEE & NEE SOFTWARES (EXPORTS) LTD.)

Report on the Internal Financial Controls over Financial Reporting under clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

OPINION

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2020, we have audited the internal financial controls with reference to consolidated financial statements of Lee & Nee Softwares (Exports) Ltd. (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries (incorporated in India) together referred to as "the Group") as of that date.

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and such companies incorporated in India which are its subsidiary companies, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting of the Company based on our Audit. We conducted our Audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note"), issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of Internal Financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company ; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

NOTE - 1

Corporate & general information

The Consolidated Financial Statements comprise financial statements of Lee & Nee Softwares (Exports) Ltd. ("the Holding Company") and its Subsidiaries (collectively referred to "the Group") for the year ended 31 March 2020.

The Holding Company is primarily engaged in Information Technology and related services. The Company is a Company limited by shares, incorporated and domiciled in India. It is an IT-enabled service company based in the IT hub of Kolkata, India.

The Holding Company is listed on Bombay Stock Exchange Limited and Kolkata Stock Exchange Limited. The registered office of the Company is located at 14-B, Camac Street, Kolkata – 700 017, India.

The list of Subsidiary Companies considered in the Consolidated Financial Statements is as follows:

Name of the Subsidiary Companies	Country of Incorporation	Financial year ended	Holding Company's Interest
Rituraj Shares Broking Pvt. Ltd	India	31.03.2020	100.00%
Lensel Web Services Pvt. Ltd.	India	31.03.2020	100.00%

Lensel Web Services Pvt Ltd. is the material subsidiary of the Company.

These financial statements are approved by the Holding Company's Board of Directors on 29th June, 2020.

The principal accounting policies applied in the preparation of the consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

NOTE - 2

Significant accounting policies

- Statement of Compliances:** These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.
- Basis of Preparation of Financial Statements:** The Group has consistently applied the accounting policies used in the preparation of financial statement of all period presented. The financial statements has been prepared considering all IND AS as notified and made applicable by Ministry of Corporate Affairs for reporting date i.e. 31 March 2020.

The Group follows the mercantile system of accounting and generally the accrual concept in preparing the accounts except dividend which is recorded on cash basis.

- Basis of measurement:** The consolidated financial statements have been prepared on a historical cost basis, except the financial assets (investments) & financial liabilities, if any which are measured at fair value. They are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income.

- Basis of Consolidation**

The consolidated financial statements comprise the financial statements of the Group and its subsidiaries. Control is achieved when the Group has:

- Power over the investee.
- Is exposed or has rights to variable returns from its involvement with the investee.
- Has the ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Parent Group has less than a majority of the voting or similar rights of an investee, the Holding Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee.

-Rights arising from other contractual arrangements.

-The Holding Company's voting rights and potential voting rights.

-The size of the Holding Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting right holders.

The Holding Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Holding Company obtains control over the subsidiary and ceases when the Holding Company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Holding Company gains control until the date the Parent Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of the subsidiary Group used for the purpose of consolidation are drawn up to same reporting date as that of the Holding Company, i.e., year ended on 31 March, 2020. When the end of the reporting period of the Holding is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Holding to enable the Holding to consolidate the financial information of the subsidiary, unless it is impracticable to do so. However the two subsidiaries are wholly owned by the Holding Company and the reporting date in all the cases are same.

Consolidation procedure:

Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Holding Company with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the consolidated financial statements at the acquisition date.

Offset (eliminate) the carrying amount of the Holding Company's investment in each subsidiary and the Holding Company's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

Eliminate in full intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the Holding Company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

- e. **Use of Estimates and Judgments:** Preparation of consolidated financial statements requires the use of judgments, estimates and assumptions in the application of accounting policies that affects the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation of such estimates and judgments are done based on historical experience and other factors, including future expectations that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively and in the period in which the estimates are revised and future periods are affected. Differences between actual results and estimates are recognized in the period in which they materialize.

Details of critical estimates and judgments used which have a significant effect on the carrying amount of assets and liabilities, are provided in the following notes:

Income tax:

The Holding Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

The Group uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax.

Useful lives of Property, plant and equipments:

Property, plant and equipment represent a significant proportion of the asset base of the Group. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and its residual value at the end of its life. Useful life and residual value of an asset is determined by the Management at the time an asset is acquired and reviewed periodically, including at each financial year end. This reassessment may result in change in depreciation expense in future periods. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Measurement of defined benefit obligations:

The Group's defined benefit obligation to its employees and net periodic defined benefit cost / income requires the use of certain assumptions, including, among others, estimates of discount rates and expected return on plan assets. Changes in these assumptions may affect the future funding requirements of the plans. Actuarial gains / losses, the sensitivity analysis for changes in estimates are disclosed under relevant Notes.

Impairment Testing:

Investments in subsidiaries, goodwill and intangible assets are tested for impairment annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to dispose. The calculation of value in use of a cash generating unit involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions. Refer note 2 (h), (j) and (l) for details.

Estimation of provisions and contingencies:

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Group uses significant judgements to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements. Refer note 2 (n), 14 for details.

Recognition of deferred tax assets:

Refer note 2 (u) for details.

Current & Non-current classification:

The Group presents all its assets and liabilities in the consolidated balance sheet based on current or non-current classification. Assets and liabilities are classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

Fair value measurements:

The Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Group has an established control framework with respect to the measurement of fair values.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Estimation of uncertainties relating to the global health pandemic COVID-19:

The management has considered the possible effects, if any, that may result from the pandemic relating to COVID 19 on the carrying amounts of receivables. In making the assumptions and estimates relating to the uncertainties as at the Balance sheet date in relation to recoverable amounts of these assets, the management has considered the global economic conditions prevailing at the date of approval of these financial statements and has used internal and external sources of Information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in the future due to the impact of the pandemic.

f. Revenue/Expenses Recognition:

The Group derives revenue primarily from Information Technology Services and Solutions. The Group recognizes revenue when it transfers control over a product or a service to a customer. The method for recognizing revenues and costs depends on the nature of the services rendered.

Recognition criteria for various types of contracts are as follows:

Time and Material Contracts:

Revenue from time-and-material contracts is recognized based on the time / efforts spent and billed to clients.

Fixed-Price Contracts:

Revenues from fixed-price contracts are recognized using the "percentage-of-completion" method. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct relationship between input and productivity.

If the Group does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

Sale of software products and licenses:

Revenue from sale of third party software products and hardware is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on physical or electronic dispatch of goods.

Revenue from sale of licenses, where no customization is required, is recognized upon delivery of these licenses which constitute transfer of all risks & rewards.

Maintenance Contracts:

Revenue from maintenance contracts is recognised on a pro-rata basis over the period in which such services are rendered.

For all types of contracts, unearned revenues represent billing in excess of revenue recognized on software development and service contracts and is included in Other Current Liabilities until the above revenue recognition criteria is met. Advance payments received from customers for whom no services have been rendered are presented as "Advance from customers".

Revenues are reported net of GST and applicable discounts and allowances.

Other Income

Other income primarily comprises of interest, dividend. Interest income is recognized in the Statement of Profit and Loss using effective interest method at the time of accrual. Dividend income is recognized in the Statement of Profit and Loss when the right to receive payment is established.

g. Standards issued but yet not effective

Ministry of Corporate Affairs (MCA) notified new standard and amendments to the existing standards. There is no such notification, which would have been applicable from 01 April 2020.

h. Property, Plant and Equipment:

Recognition and Initial measurement:

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are added in the asset's carrying amount/recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of such item can be measured reliably. All other repairs and maintenance expenses are charged to the consolidated statement of profit and loss in the

period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the consolidated statement of profit and loss.

Subsequent measurement (depreciation and useful lives):

Depreciation is provided on a pro-rata basis on the written down value (WDV) method based on estimated useful life prescribed under Schedule II of the Companies Act, 2013. However, assets value up to Rs 5,000 is fully depreciated in the year of acquisition. Residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each Balance Sheet date and any change in them is adjusted prospectively.

Furniture and fixtures	10 years
Office equipments	3 - 5 years
Buildings	60 years

De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future Economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the consolidated statement of profit and loss, when the asset is de-recognized.

i. Intangible assets:

Technical know - how fees / acquired computer software and licenses are capitalized on the basis of costs incurred to bring the specific intangibles to its intended use. Intangible assets purchased are measured at cost or fair value as of the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any.

Intangible assets/Software Licenses are amortized on their respective individual estimated useful lives on a written down value basis, commencing from the date the assets is available to the Group for its use.

Intangible assets with indefinite useful lives (like goodwill, brands), if any are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether indefinite life continues to be supportable. The change in useful life from indefinite to finite life if any, is made on prospective basis.

j. Impairment of non-financial assets:

Assessment for impairment is done at each Balance Sheet date when there is an indication that a non-financial asset may be impaired. If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the consolidated statement of profit and loss. Recoverable amount is higher of an asset's/cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset/cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset/cash generating unit in any prior accounting periods may no longer exist or may have decreased, based on which a reversal of an earlier recorded impairment loss is recognized in the consolidated statement of profit and loss.

k. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date of investment made, are classified as Current Investments. All investments other than current investments are classified as non-current investments. Investments are valued in accordance with the applicable Ind AS.

l. Financial instruments

i) Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii) Subsequent measurement

Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

For assets, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and where the Group has exercised the option to classify the equity investment as at fair value through other comprehensive income, all fair value changes on the investment are recognised in other comprehensive income. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. However, in cases where the Group has made an irrevocable election for particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, the subsequent changes in fair value are recognized in Other Comprehensive Income.

Equity instruments:

The Group classifies all its equity investments at fair value, apart from investments in subsidiary and Partnership firm. In case of equity instruments not held for trading, Group's management has made an irrevocable election to present fair value gains and losses on such equity instruments in other comprehensive income and there is no subsequent reclassification of fair value gains and losses to the consolidated statement of profit and loss.

Investments in mutual funds:

Investments in mutual funds are measured at fair value at each balance sheet date.

iii) ***Derecognition of financial instruments***

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

m. ***Foreign currency transactions***

Functional currency and presentation currency:

The consolidated financial statements are presented in Indian Rupees (i.e., INR). Functional currency is the currency of the primary economic environment in which the Group operates.

Transactions and balances:

Foreign currency transactions are translated into the functional currency using exchange rates prevailing at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions and from translation of monetary assets and liabilities at the exchange rates prevailing on the balance sheet dates are recognized in the consolidated statement of profit and loss.

n. ***Provisions, contingent liabilities and contingent assets :***

A provision is recognized when an enterprise has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the amount can be reliably estimated. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A disclosure for contingent liability is made when there is a possible obligation that arises from the past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group and that may, but not probable that an outflow of resources would be required to settle the obligation. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are neither recognised nor disclosed in the financial statements.

o. Employee benefits expense

Defined contribution plans:

The Group provides defined contribution plan for post-employment benefits in the form of provident fund and Employee State insurance benefit scheme administered by Regional Provident Fund Commissioner and the ESI's authorities respectively. The Group's contributions to defined contribution plans are charged to the consolidated statement of profit and loss as and when incurred.

Defined benefit plans:

The Group also provides for Gratuity and Leave Encashment based on actuarial valuation made by an independent actuary as per Ind AS 19 Compliance of The Institute of Chartered Accountants of India. Actuarial gains / losses are disclosed under relevant Notes.

Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentives.

p. Borrowings:

The Group has not borrowed any sums from any financial institutions, except from Directors. Refer note 12.1 for details.

q. Cash flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Group are segregated.

r. Inventories:

Group does not have any inventory. As such provisions of Ind AS 2 are not applicable.

s. Cash and Cash Equivalents:

Cash and cash equivalents comprise of cash at bank and on hand and demand deposits with banks. The Group considers its highly liquid, short term investments (having maturity less than three months) which can be readily converted to fixed/determinable amount of money and subject to insignificant risks arising from changes in their fair values, as cash equivalents.

t. Leases:

The one of the Subsidiary Companies has acquired certain building on finance lease. Such lease arrangements are for a period of 99 years and the entire lease rentals has been paid upfront at the time of initiation of the lease. The Subsidiary Group has recognized these building so acquired as owned assets instead of lease under property, plant and equipment at an amount equal to the upfront lease payment plus initial direct costs. Such amount is amortized over the estimated life of the assets under straight line method.

u. Income tax:

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rates with adjustments for changes in deferred tax assets or liabilities attributable to temporary differences and unused tax losses or credits.

Current tax is calculated based on tax laws enacted or substantively enacted at the end of the reporting period.

Deferred tax is recognized on temporary differences arising from the tax bases of assets and liabilities and their respective carrying amounts in the consolidated financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction that does not result from a business combination and at the time of such transaction, affects neither the accounting profit or loss nor taxable profit (tax loss) for the period. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available against which those temporary differences/losses can be utilized. Minimum alternate tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence

that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the consolidated statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Current tax assets and tax liabilities are offsetted where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

v. **Segment reporting:**

The Group's respective business activity falls within a single primary business segment i.e. Software business and share trading business therefore, the disclosure requirement of "Segment Reporting" is not applicable.

w. **Earnings per Share:**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events that have changed the number of outstanding equity shares, without a corresponding change in the resources. For the purpose of calculating diluted earnings per equity share, net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares. As on the balance sheet date, the Group has no dilutive potential equity shares.

x. **Events after the reporting period:**

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

y. **Recent accounting pronouncements**

Certain new standards, amendments to standards and interpretations are effective for annual periods beginning after 01 April 2019, and have not been applied in preparing these consolidated financial statements. New standards, amendments to standards and interpretations that could have potential impact on the consolidated financial statements of the Group are:

1. **Ind AS 116 – Leases**

Ind AS 116 on Leases notified by The Ministry of Corporate Affairs on 30th March 2019, effective for financial periods beginning from 1st April 2019, replaces the existing standard Ind AS 17 on Leases. The revised Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both, the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all both operating and finance leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses to the lessee are charged to the statement of Profit & Loss as and when incurred. Ind AS 116 does not envisage any difference in accounting of lease income for the lessor as compared the erstwhile standard. The revised Standard also contains enhanced disclosure requirements for lessees.

The standard permits two possible methods of transition:

- Full retrospective – Recognize assets and liabilities relating to lease commitments retrospectively in each prior period, applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors.
- Modified retrospective – Recognized the right to use (ROU) asset at the date of initial application by measuring the same at an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognized in the balance sheet immediately before the date of initial application.

The Group is proposing to use the 'Modified Retrospective Approach' for transitioning to Ind AS 116 on the date of initial application (April 1, 2019). Accordingly, the comparatives for the year ended March 31, 2019 will not be retrospectively adjusted. The Management is in the process of assessing the impact on adoption of Ind AS 116 and does not expect the same to be significant considering the low value of the asset, since exemption is available for the same.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

20. Deferred taxes:

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying value of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences whereas, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Deferred tax has not been recognized due to brought forward losses which may remain unutilized.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal Income tax.

Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefits associated with it will flow to the Group.

21. The Group has initiated the process of obtaining confirmation from suppliers who have registered under the Micro, Small and Medium Enterprises Development Act, 2006. The information required to be disclosed under the Micro, Small And Medium Enterprises Development Act, 2006 ("the MSMED Act") has been determined to the extent such parties have been identified on the basis of information received from such parties and available with the Group. There are no overdue to parties on account of principal amount and / or interest.

24.9 Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Period	As on 31/3/2020
Defined Benefit Obligation (Base)	21,72,882 @ Salary Increase Rate : 5%,
Liability with x% increase in Discount Rate	20,53,275; x=1.00%

Other Financial Liabilities	4,91,242/-	15,61,240/-
Total Financial Liabilities	73,35,507/-	78,94,554/-

Notes:

- These investments are not held for trading. Upon application of Ind AS - 109 - Financial Instruments, the Group has chosen to measure these investments in quoted equity instruments at FVTOCI irrevocably as the management believes that presenting fair value gains and losses relating to these investments in the consolidated statement of profit and loss may not be indicative of the performance of the Group.
- The management assessed that the fair value of cash and cash equivalents, other bank balances, bank deposits, loans, Trade receivables, other advance, borrowings, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

B. Fair value hierarchy

The fair value of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly market between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent in all the years. Fair value of financial instruments referred to in note (a) above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and lowest priority to unobservable entity specific inputs.

The Categories used are as follows:

- Level 1: Quoted prices (Unadjusted) in active markets for financial instruments.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

For Assets and Liabilities which are measured at fair value as at balance sheet date, the classification of fair value by category and level on inputs used is given below:

Particulars	Level 1	Level 2	Level 3
<u>As at 31st March, 2020</u>			
Designated at fair value through other comprehensive income (FVTOCI)			
Investments in Quoted Equity Instruments	6,40,904/-	-	-
Investment in Mutual Fund	75,64,029/-	-	-
<u>As at 31st March, 2019</u>			
Designated at fair value through other comprehensive income (FVTOCI)			
Investments in Quoted Equity Instruments	21,30,780/-	-	-
Investment in Mutual Fund	10,966,641/-	-	-

There have been no transfers among Level 1, Level 2 and Level 3 during the year.

C. Computation of Fair Values

Investments in Mutual Funds are classified under current financial assets are short term investments whose fair value are considered as the net asset value (NAV) declared by the respective fund houses on a daily basis. Thus the declared NAV is similar to fair market value for these mutual fund investments since transactions between the Investor and fund houses will be carried out at such prices.

Investments in equity instruments represent long term strategic investments made in certain listed or unlisted companies. For listed companies, fair value is based on quoted market prices of such instruments as on the balance sheet date on the recognized stock exchange (where traded volume is more during last six months).

D. Fair value of assets and liabilities measured at cost/amortized cost

The carrying amount of financial assets and financial liabilities measured at amortized cost are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amount would be significantly different from the values that would be eventually received or settled. Management assessed that fair values of cash and cash equivalents, other bank balances, bank deposits, loans, trade receivables, other advance, borrowings, trade payables and other financial liabilities approximate their carrying amounts due to the short term maturities of these instruments.

27. Financial risk management

Group's business activities are exposed to a variety of financial risks like credit risk, market risks and liquidity risk. Group's senior management is responsible for establishing and monitoring the risk management framework within its overall risk management objectives and strategies approved by the Board of Directors. Such risk management strategies and objectives are established to identify and analyze potential risks faced by the Group, set and monitor appropriate risk limits and controls periodically review the changes in market conditions and assess risk management performance. Any change in Group's risk management objectives and policies need approval of its Board of Directors.

a. Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

i) Trade receivables

Customer credit risks are managed by each business unit in accordance with the credit policy, procedures and controls relating to credit risk management. Credit quality of each individual customer is assessed based on financial positions, past trends, market reputation, prevailing market and economic conditions, expected business and anticipated regulatory changes. Based on this evaluation, credit limit and credit terms are decided for each individual customer. Exposure to customer credit risk is regularly monitored through credit locks and release. The Group has a low concentration of risk in respect of trade receivables since its customers are widely spread and operates in diversified industries and varying market conditions. Export customers are secured through letter of credit and generally not subject to credit risks.

Impairment of trade receivables is based on expected credit loss model (simplistic approach) depending upon the historical data, present financial conditions of customers and anticipated regulatory changes. Maximum exposure to credit risks at the reporting date is disclosed in Note 4.2 & 6.2. Group does not hold any collateral in respect of such receivables.

ii) Other financial instruments

Credit risks from other financial instruments include mainly cash and cash equivalents and deposits with banks. Such risk is managed by the Board of Directors of the Group in accordance with Group's overall investment policy approved by its Board of Directors. The investments are reviewed by the Board of Directors on a quarterly basis.

The Group has no exposure to credit risk relating to its cash and cash equivalents. Credit risk for other financial instruments is monitored by the Board of Directors in accordance with its overall risk management policies. Impairment of such assets is computed per expected credit loss model (general approach) assessed on the basis of financial position, detailed analysis and expected business of the counterparty to such financial assets.

iii) Investments

The Company limits its exposure to credit risk by generally investing in liquid securities. The Company does not have any significant concentration of exposures to specific industry sectors.

b. Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market prices. Market risks comprises of - currency risk, cyber security risk, concentration risk, competition risk, regulatory risk and other price risk, such as equity price risk. Financial Instruments affected by market risks include investments in mutual funds or equity instruments.

- i) **Currency risk** – The Group has made a well-defined currency hedging Policy which helps in controlling risk arisen from currency fluctuations and volatility.
- ii) **Cyber Security Risks** - Cyber Security and quality management are few key areas of concern in today's information age. To overcome such concerns in today's global IT scenario, an increasing number of IT-BPO companies in India have gradually started to emphasize on quality to accept global standards such as ISO 9001 (for quality management) and ISO 27000 (for information security). Today, centers based in India account for the largest number of quality certifications achieved by any single country.
- iii) **Concentration Risk** - Regional concentration as well as vertical concentration can adversely impact Group's business in case of a slowdown.
- iv) **Competition Risk**- The ever –increasing competition poses a key risk in terms of acquiring client business as well as human talent. Group has enhanced their value in the proposition of its customers by way of deepening its domain expertise, technological capabilities and customer engagement, on the human capital front.
- v) **Regulatory Risk**- Legislation in various countries in which we operate including the US , UK , Australia, Canada & Middle East may place restrictions on companies in those countries from outsourcing work to us, or may enact stricter immigration laws or may limit our ability to send our employees to certain client sites. A team of professionals has been employed within and outside the Group. The Group has working on mitigating this on a continuous basis.
- vi) **Price risk** - Price risk is the risk that the fair value or future cash flows will fluctuate due to change in market prices. The Group is exposed to price risk arising from its Investments and Equity Instruments. The Group manages such risk in accordance with its overall risk management policy approved by the Board of Directors.

c. Liquidity risk:

Liquidity risk is the risk that the Group may not be able to meet its contractual obligations associated with its financial liabilities. The Board of Director of the Group manages its liquidity risk by preparing and continuously monitoring business plans or rolling cash flow forecasts which ensure that the funds required for carrying on its business operations and meeting its financial liabilities are available in a timely manner and at an optimal cost. The Group plans to meet the contractual obligations from its internal accruals. Additionally, surplus funds generated from operations are parked in short term debt or liquid mutual funds and bank deposits which can be readily liquidated when required.
