To,
The Members of M/s LENSEL WEB SERVICES PRIVATE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of M/s LENSEL WEB SERVICES PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, notes to the Standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), financial performance (profit or loss including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are

also responsible for expressing our opinion on whether the Company has adequate internal financial controls over financial reporting in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the management.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section 143 (11) of the Act, we give in the Annexure 'A' a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Standalone Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian

Accounting Standards specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2021, as amended.

- e. On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position in its Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company did not have any amount which had fallen due and required to be transferred to the Investor Education and Protection Fund by the Company.
- h. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- (xv) In our opinion and according to the information and explanation given to us, during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its holding company, subsidiary company, or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of

India Act, 1934. Hence, reporting under clause (xvi) (a), (b), (c) & (d) of the Order is not applicable.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx) (a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(REFERRED TO IN PARAGRAPH 2(f) UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' OF OUR REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF M/s LENSEL WEB SERVICES PRIVATE LIMITED)

Report on the Internal Financial Controls over Financial Reporting under clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Lensel Web Services Pvt. Ltd. ("the Company") as of 31 March 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial control over Financial Reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

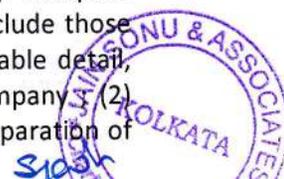

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our Audit. We conducted our Audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of Internal Financial controls over financial reporting included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of

standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Lensel Web Services Pvt. Ltd.

Notes to financial statements for the year ended 31st March 2022 Summary of significant accounting policies and other explanatory information

1. CORPORATE & GENERAL INFORMATION

Lensel Web Services Pvt Ltd. is a Company limited by shares, incorporated and domiciled in India. It is an IT-enabled service company based in the IT hub of Kolkata, India. With over 20 years of experience Lensel Web Services Pvt Ltd is engaged in business of developing, designing, the website and **digital marketing** all over the India.

The registered office of the Company is located at 14-B, Camac Street, Kolkata-700017, India.

The financial statements of the Company for the year 31st March 2022 were approved and authorized for issue by board of directors in their meeting held on 26th May, 2022.

1A. Estimation of uncertainties relating to the global health pandemic from COVID-19

The spread of COVID-19 pandemic has severely impacted businesses around the globe, including India. The Company's operations and financial results in the initial two months of previous year were adversely impacted due to stoppage of operations due to outbreak of COVID-19 pandemic. Thereafter it took nearly another two months for attaining back full production level. In the current financial year various State Governments had imposed partial lock down, however, there was no significant impact on the functioning of the Company. The management has considered various internal and external sources of information up to the date of approval of the financial statements by the Board of Directors in determining the impact of pandemic on the various elements of financial statements. The management has also evaluated its liquidity position for the next financial year and used the principles of prudence in applying judgments, estimates & assumptions and based on the current estimates, it expects to fully recover the carrying amount of various non current & current assets. However considering the uncertainties involved, the eventual outcome of impact of the pandemic may be different from those estimated as on the date of approval of these financial statements. The Company will continue to closely monitor any material changes in future economic conditions.

1B. Recent Pronouncement:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies the treatment of any cost or fees incurred by an entity in the process of derecognition of financial liability in case of repurchase of the debt instrument by the issuer. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

2. STATEMENT OF COMPLIANCE AND SIGNIFICANT ACCOUNTING POLICIES

(i) **Statement of Compliances:**

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

(ii) **Basis of Preparation of Financial Statements:**

The Company has consistently applied the accounting policies except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use. The financial statements has been prepared considering all IND AS as notified and made applicable by Ministry of Corporate Affairs for reporting date i.e 31 March 2022.

The Company follows the mercantile system of accounting and generally the accrual concept in preparing the accounts except dividend which is recorded on cash basis.

Fair value measurements:

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values.

When measuring the fair value of an asset or a liability, the Company uses observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(iii) **Use of Estimates and Judgments:**

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of financial statements and the reported amounts of income and expenses for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The Company uses the following critical accounting estimates in preparation of its financial statements:

(a) **Revenue Recognition**

The Company derives revenue primarily from Information Technology Services and Solutions. The Company recognizes revenue when it transfers control over a product or a service to a customer. The method for recognizing revenues and costs depends on the nature of the services rendered.

(b) **Useful lives of Property, plant and equipments:**

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

(c) **Provision for income tax and deferred tax assets**

The Company uses estimates and judgments based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax.

A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Accordingly, the Company exercises its judgment to reassess the carrying amount of deferred tax assets at the end of each reporting period.

(d) **Employee benefits**

The company's defined benefit obligation to its employees and net periodic defined benefit cost / income requires the use of certain assumptions, including, among others, estimates of discount rates and expected return on plan assets. Changes in these assumptions may affect the future funding requirements of the plans. Actuarial gains / losses, the sensitivity analysis for changes in estimates are disclosed under relevant Notes.

(e) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate

(iv) Financial Assets, Financial Liabilities and Equity Instruments

a) Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

b) Subsequent measurement

Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

For assets, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and where the company has exercised the option to classify the equity investment as at fair value through other comprehensive income, all fair value changes on the investment are recognised in other comprehensive income. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive Income (OCI).

Financial assets at fair value through profit or loss (FVTPL)

A Financial asset which is NOT classified in any of the above categories are subsequently fair valued through profit or loss. Financial Assets included within the FVTPL Category are measured at fair value with all changes recognized in the statement of Profit & Loss.

Equity instruments:

The Company classifies all its equity investments at fair value, apart from investments in unquoted equity instruments. .

c) Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for Derecognition under Ind AS 109.

(v) Revenue/Expenses Recognition:

The Company derives revenue primarily from Information Technology Services and Solutions. The Company recognizes revenue when it transfers control over a product or a service to a customer. The method for recognizing revenues and costs depends on the nature of the services rendered.

Recognition criteria for various types of contracts are as follows:

Time and Material Contracts:

Revenue from time-and-material contracts is recognized based on the time / efforts spent and billed to clients.

Maintenance Contracts:

Revenue from maintenance contracts is recognised on a pro-rata basis over the period in which such services are rendered.

Advance payments received from customers for whom no services have been rendered are presented as "Advance from customers".

Revenues are reported net of GST and applicable discounts and allowances.

Other Income

Other income primarily comprises of interest, dividend. Interest income is recognized in the Statement of Profit and Loss using effective interest method at the time of accrual. Dividend income is recognized in the Statement of Profit and Loss when the right to receive payment is established.

(vi) Property, Plant and Equipment:

Recognition and Initial measurement:

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are added in the asset's carrying amount/recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of such item can be measured reliably. All other repairs and maintenance expenses are charged to the statement of profit and loss in the period in which they are incurred. Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the statement of profit and loss.

Subsequent measurement (depreciation and useful lives):

Depreciation is provided on a pro-rata basis on the written down value (WDV) method based on estimated useful life prescribed under Schedule II of the Companies Act, 2013. However, assets value up to Rs 5,000 is fully depreciated in the year of acquisition. Residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each Balance Sheet date and any change in them is adjusted prospectively.

Category of asset	Useful life
Furniture and fixtures	10 years
Office equipments	3 - 5 years
Building	60 years

De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

(vii) Impairment of non-financial assets:

Assessment for impairment is done at each Balance Sheet date when there is an indication that a non-financial asset may be impaired. If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the statement of profit and loss. Recoverable amount is higher of an asset's/cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset/cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset/cash generating unit in any prior accounting periods may no longer exist or may have decreased, based on which a reversal of an earlier recorded impairment loss is recognized in the statement of profit and loss.

(viii) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date of investment made, are classified as Current Investments. All investments other than current investments are classified as non-current investments. Investments are valued in accordance with the applicable Ind AS.

(ix) Provisions, contingent liabilities and contingent assets :

A provision is recognized when an enterprise has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the amount can be reliably estimated. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A disclosure for contingent liability is made when there is a possible obligation that arises from the past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company and that may, but not probable that an outflow of resources would be required to settle the obligation. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are assessed continuously and are disclosed in the financial statements in the period in which it is virtually certain that an inflow of economic benefit will arise.

(x) Functional currency and presentation currency:

The financial statements are presented in Indian Rupees (i.e., INR), which is also the Company's functional currency.

(xi) Employee benefits expense

Defined contribution plans:

The Company provides defined contribution plan for post-employment benefits in the form of provident fund and Employee State insurance benefit scheme administered by Regional Provident Fund Commissioner and the ESI's authorities respectively. The Company's contributions to defined contribution plans are charged to the statement of profit and loss as and when incurred.

Defined benefit plans:

The Company also provides for Gratuity and Leave Encashment based on actuarial valuation made by an independent actuary as per Ind AS 19 compliance of The Institute of Chartered Accountants of India. Actuarial gains / losses are disclosed under relevant Notes.

Short term employee benefits:

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the year when the employees render the services. These benefits include performance incentives.

(xii) Borrowings:

The Company has not borrowed any sums except interest free loan from its Holding Company.

(xiii) Inventories:

Company does not have any inventory as such provisions of Ind AS 2 are not applicable.

(xiv) Cash flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Company are segregated.

(xv) Cash and Cash Equivalents:

Cash and cash equivalents comprise of cash at bank and on hand.

(xvi) Leases:

The Company has acquired certain building on finance lease. Such lease arrangements are for a period of 99 years and the entire lease rentals has been paid upfront at the time of initiation of the lease. The Company has recognized these building so acquired as owned assets instead of lease under property, plant and equipment at an amount equal to the upfront lease payment plus initial direct costs. Such amount is amortized over the estimated life of the assets under straight line method.

(xvii) Income tax:

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rates with adjustments for changes in deferred tax assets or liabilities attributable to temporary differences and unused tax losses or credits.

Current tax is calculated based on tax laws enacted or substantively enacted at the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

Minimum alternate tax ('MAT') credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

(xviii) Segment reporting:

The Company is primarily engaged in Information Technology and related services. There are no other reportable segments in terms of IND AS - 108 on Segment Reporting issued by The Institute of Chartered Accountants of India.

(xix) Earnings per Share:

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per equity share, net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares. As on the balance sheet date, the Company has no dilutive potential equity shares.

Notes to financial statements for the year ended 31 March 2022

20. Deferred Taxes:

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying value of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences whereas, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized. Deferred tax asset at the time of transaction affects neither the accounting profit nor taxable profit or loss. The carrying amount of deferred tax asset is reviewed at each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal Income tax.

Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefits associated with it will flow to the Company.

21. Dues of small enterprises and micro enterprises:

Based on the information available with the Company, there are no party who falls under the provisions of Micro and Small Enterprises as per MSMED Act, 2006 and accordingly the disclosure is not applicable.

22. Segment Reporting:

The Company's business activity falls within a single primary business segment i.e. Software business and therefore, the disclosure requirement of "Segment Reporting" is not applicable.

24.11: Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Period	As on: 31-03-2022
--------	-------------------

Defined Benefit Obligation (Base)	7,91,902 @ Salary Increase Rate : 5%, and discount rate :7%
Liability with x% increase in Discount Rate	6,81,805; x=1.00% [Change (14)%]

Borrowings	60,677,567/-	7,12,82,764/-
Total Financial Liabilities	60,805,006/-	7,13,92,991/-

Notes:

- These investments are not held for trading. Upon application of Ind AS - 109 - Financial Instruments, the Company has chosen to measure these investments in unquoted equity instruments at cost as the management believes that presenting fair value gains and losses relating to these investments in the statement of profit and loss may not be indicative of the performance of the Company.
- The management assessed that the fair value of cash and cash equivalents, loans, Trade receivables, trade payables and borrowings and financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

a. Fair value of assets and liabilities measured at cost/amortized cost

The carrying amount of financial assets and financial liabilities measured at amortized cost are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amount would be significantly different from the values that would be eventually received or settled. Management assessed that fair values of cash and cash equivalents, loans, trade receivables, other advance, trade payables and other financial liabilities approximate their carrying amounts due to the short term maturities of these instruments.

26. Financial risk management

Company's business activities are exposed to a variety of financial risks like credit risk, market risks and liquidity risk. Company's senior management is responsible for establishing and monitoring the risk management framework within its overall risk management objectives and strategies approved by the Board of Directors. Such risk management strategies and objectives are established to identify and analyze potential

risks faced by the Company, set and monitor appropriate risk limits and controls periodically review the changes in market conditions and assess risk management performance. Any change in Company's risk management objectives and policies need approval of its Board of Directors.

a. Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

i) Trade receivables

Customer credit risks are managed by each business unit in accordance with the credit policy, procedures and controls relating to credit risk management. Credit quality of each individual customer is assessed based on financial positions, past trends, market reputation, prevailing market and economic conditions, expected business and anticipated regulatory changes. Based on this evaluation, credit limit and credit terms are decided for each individual customer. Exposure to customer credit risk is regularly monitored through credit locks and release. The Company has a low concentration of risk in respect of trade receivables since its customers are widely spread and operates in diversified industries and varying market conditions.

Impairment of trade receivables is based on expected credit loss model (simplistic approach) depending upon the historical data, present financial conditions of customers and anticipated regulatory changes. Maximum exposure to credit risks at the reporting date is disclosed in Note 4.2 & 6.1. Company does not hold any collateral in respect of such receivables.

ii) Other financial instruments

Credit risks from other financial instruments include mainly cash and cash equivalents and deposits with banks. Such risk is managed by the Board of Directors of the Company in accordance with Company's overall investment policy approved by its Board of Directors. The investments are reviewed by the Board of Directors on a quarterly basis.

The Company has no exposure to credit risk relating to its cash and cash equivalents. Credit risk for other financial instruments are monitored by the Board of Directors in accordance with its overall risk management policies. Impairment of such assets is computed per expected credit loss model (general approach) assessed on the basis of financial position, detailed analysis and expected business of the counterparty to such financial assets.

b. Capital Management:

The Company's policy is to maintain a strong capital base so as to maintain creditor and market confidence and to sustain future development of the business.

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders. The primary objective of the Company's capital management is to maximize the shareholder value.
