

Argha Kamal Dhar

UI/UX Designer

Experienced Sr. Associate Design with a proven track record in UI design, currently contributing to the success of **Brainium Information Technologies**. Previously, as a **Senior UI Designer at Webskitters**, I honed my skills in creating visually appealing and user-friendly interfaces. I hold a **diploma in Graphic/Web Designing and Motion Graphics from Arena Animation Kankurgachi**, acquired in 2016. My expertise lies in leveraging design principles and industry-standard software to deliver compelling designs. With a passion for creativity and a keen eye for detail, I bring a wealth of knowledge and experience to any design team.
